# SMART FIRE HYDRANT VEHICLES

1. We handed over a total of 2 aerodynamic shaped fire hydrant vehicles to the Fire Department, PMC. This type of vehicle was introduced for the 1st time in the Fire Department of Maharashtra.
2. The features of these hydrant vehicles are as follows:
  - E-Priming System
  - CE High Pressure Hose Reel
  - Cooling System
  - CE Water Monitor
  - Ladder Gallows
  - Public Address System & Storage Equipment
  - Electrical System
  - Power Generator
  - Hydraulic Breaker
